Préparations

Temps de préparation **45 mins**

For the biscuits

In the mixer, work the butter and the sugar on medium speed for 2 to 3 minutes, add the egg, the flour, the baking powder and the cacao. As soon as the mix is smooth add the milk slowly. On a baking tray with a parchment paper and a little bit of Pam spray, make 5cm size discs of dough with a pastry Pocket. Put it in the oven for 15 minutes, and let it cool down. The biscuits must stay a little soft.

For the cream

Whip your cream as a chantilly with the coffee flavor and the Amaretto. Blanche the egg yolks with the sugar. Smooth the mascarpone with a whisk, add a third off the egg yolk mix, and the rest of it, then add the chantilly gently. With a pastry pocket put some stuffing between two biscuits.

Bon appétit!
