Macaroons shells

The day before, separate the whites from the yolks and keep the whites at room temperature in an airtight container. In the cutter, put the almond powder and the icing sugar, mix it for a minute and pass it through a sieve. In the bowl of a kitchen aid mixer begin whipping the egg whites with a pinch of salt. Whip them until they get fluffy and start detaching from the sides of the bowl. At this stage add in the sugar and continue whipping for a few minutes until it thickens and gets shiny. Combine the egg whites with the remaining dry ingredients by folding it with a spatula. Mix a little bit more rapidly in the end until you get a smooth, almost toothpaste like, texture. Fill a pastry bag lined with a small plain tip with this mixture. Pipe the mix into little

discs on a baking sheet lined with parchment paper. Dry for 5 to 10 minutes and then bake for 12 to 15 minutes.

Clear lemon cream

In a sauce pot, combine all of the ingredients except for the butter in the order indicated in the ingredients section. Bring to a boil while continuously whisking. Let it boil for at least 30 seconds. Pass the cream through a fine mesh sieve and then incorporate the butter with your whisk.

Set aside in the fridge covered in plastic wrap.

Bon appétit!
