Spinach pasta

In a blender, combine the eggs, olive oil and spinach.

On a flat work surface, combine the flour and salt and make a well in the center. Pour the liquid mix in the

center of the well and start working it with a fork. Finish off the pasta dough by kneading with the palm of your hand. Let the pasta dough rest for 30 minutes before using it.

Ricotta stuffing

Blanch the spinach and then cool them in an ice bath, strain and chop them. Strain the ricotta to remove the excess water and combine all the cheeses. In a mixing bowl, combine all of the ingredients and season to taste with salt and pepper. Transfer the mix to a pastry bag and set aside.

Lemon butter

Zest the lemons and set the zests aside. Squeeze the juice. In a sauce pot, heat the water and lemon juice. Add the butter little by little, making sure to whisk it continuously to obtain a nice emulsion.

Bon appétit!
