Roasted new potatoes preparation

Precook the new potatoes whole in a large volume of salted water for 10 to 12 minutes. Drain, cut into quarters and place them on a baking sheet. Cover them with a drizzle of olive oil. Season with salt and pepper and sprinkle with thyme. Roast potatoes in the oven for 10 minutes. Add the chopped garlic and chives and mix well.

Season the flank steaks with salt and pepper. Heat a skillet with a drizzle of vegetable oil and brown them on both sides. Finish cooking in the oven for about 5 minutes for rare cooking. In the same skillet, add shallots and sweat them a few seconds. Pour the red wine and bring to a boil, and reduce by 1/3.

To serve

In each plate, serve the new potatoes using a ring mold and place your flank steak on the side. Drizzle the steak with the shallot sauce.
